MISSION FAVORED WITH BETTERMENTS

Many Improvements in That

sible under the franchise, will provide the use of the new road for industrial purposes.

It was learned at the meeting that \$1,000,000 has been appropriated for the new Richmond loop, and that work will begin as soon as all the franchises are finally granted. The City Council will take action at its next meeting.

Resolutions indorsing the harbor improvements, adopted at the meeting, started the educational campaign of this promotion organization for the
